

Smarties Early Learning Center

Field Trip Information

- Smarties is happy to offer the joy of the causeway area to our teachers and students. We will frequently go on walks along the causeway using the sidewalks and crosswalks.
- We have a relationship with the Naples children's librarian and will be attending special story time events there whenever possible.
- We may walk to the Naples town office, using the town playground and other town facilities to enhance our learning environments. Naples is a beautiful town and the causeway offers stunning views and learning opportunities.
- If you arrive to drop off or pick up your child, and their teacher and class is not present, we will ask you to find us at one of these places. You may not leave him/her in the "wrong" classroom unless arrangements have been made. We will leave a notice where we are and when we plan to return.
